Chairman's Message

Today, the state of Kerala, Gods Own Country is gripped by the clutches of devastating floods. This severe calamity worst in the Century has affected millions of people of all cross section of Keralites specially the middle class & the poor people. The suffering and misery of those who have been affected by this catastrophe pains me. My heart goes out to each one of them and I pray to the Almighty that the fury of the monsoon subsides and that the reconstruction and rehabilitation of lakhs of people, who have been rendered homeless, is undertaken on a war footing and that life returns to normal. I also pray to the Almighty to ensure that there is no outbreak of epidemic like Dengue, Rat fever, etc.

The Muthoot Group is also supporting the District authorities in distributing necessities such as rice, drinking water, clothes, sugar, blankets etc. in the flood affected areas in Kuttanad, Kumarakam, Ernakulam, Pathanamthitta, Chengannur & ther places also. All our 35,000 employees and various divisions of The Muthoot Group have offered their one day's salary amounting to more than Rs. 1 Crore and other useful items as a relief for the needs of the affected people in Kerala across the middle class & poor people.

Floods in Kerala have broken the backbone of many industries, particularly the plywood factories and rice mills. Tourism Industry in Kerala too has been badly affected and has come to a grounding halt. Similarly, all other industries are also badly hit.
