Just take your pick from these picture-perfect, but absolute wild destinations on earth. Get the experience of a lifetime!

WHALE WATCHING

You may have been fascinated about whales. Now experience yourself watching the whale up-close in its natural environment!

EXPEDITION CRUISE TO ARCTIC

This expedition cruise departs from the Northern Norwegian Arctic island of Spitsbergen and it is the best and only way to see the rarest of wildlife such as polar bears hunting in the pack ice, walrus, Arctic fox, reindeer and a variety of whales and seals!

WHITE SHARK CAGE DIVING

Get set your adrenaline racing with an eye-to-eye encounter with sharks! Don't forget to take a selfie with a real White Shark!!

EXPEDITION CRUISE TO ANTARCTICA

Set foot on this last continent on earth, still untouched by humanity! Cruise over the sea ice and share the landscape with elephant, seals and penguins.

NORTHERN LIGHTS

Of the many wonders of Nature, Aurora Borealis is the most enigmatic one! Aurora Borealis or 'Northern Lights' is a must-see experience of life!

FOREST EXPEDITION

An expedition to the Amazon Rainforest will take you to the most bio-diverse rainforest on earth. It is home to the largest number of plant, animal and bird species living in their natural habitat. Various customisable trips to the forest are available with us.

MOUNT EVEREST TREKKING

What it feels like standing atop the world's highest peak? Mount Everest has inspired a cult of mountaineers and climbers driven by ambition. Standing at an imposing height of 8,848 m, it receives around 1000 summit attempts every year. It is surely a never-to-be-missed trekking experience.

SKIING IN EUROPE

October to May is the perfect time of the year to visit Zell am See-Kaprun and enjoy the panoramic views of the glacier Kitzsteinhorn. If you are an ambitious skier or snowboarder then the joy of arriving at the summit is ethereal.

BIKING TOUR / SELF-DRIVE CAR TOUR

Get behind the wheel for an enchanting driving/riding experience of your life. Our route has a mix of paved and dirt road driving that takes you through breathtaking landscapes and mountain passes!
